SUMMARY OF THE REASONS FOR DECISION:

The images and themes in this publication have been considered and balanced with section 14 of the New Zealand Bill of Rights Act 1990. However, section 14 of the NZBR Act does not apply to this publication because the magazine promotes and supports the exploitation of young persons for sexual purposes under section 3(2)(a) of the Films, Videos, and Publications Classification Act 1993. This provision overrides the NZBR Act because it is a deeming provision which cannot be given a meaning that is consistent with the rights and freedoms set out in the NZBR Act. Due to the nudity of young persons and sexual themes in relation to young persons being presented in a manner intended to sexually arouse, the magazine is classified as:
Objectionable.
